Summer Holiday Programme

Monday 27th July – Friday 4th September

This is an intensive and comprehensive educational programme, suitable for every student.

Each student has an individual programme, tailored to their requirements.

It incorporates:

- English
- Mathematics

Educational skills needed for greater, far more effective and efficient learning.

Maths and English are a combination of workbook-based activity, supporting skills such as sequencing, tessellation or symmetry (maths) and fine motor-skills, language and creative writing (English).

'Educational skills' addresses all aspects of development requiring refinement to enable learning at a higher level.

It encompasses all those issues so often listed on school reports, and many more:

- Concentration.
- Settling to and determination to complete a task.
- Assertiveness; answering and participating.
- Interpretation and following instructions.
- Language manipulation.
- Confidence.
- Achieving.
